***Announcement***

Chicago, IL – December 10, 2013 – My Virtual Campus announced today the launch of ResumePlus on our website. ResumePlus includes services, such as sample resume templates to edit with specific information, complete resume authoring, or critiquing an existing resume.

ResumePlus has been touted as the next big thing in resume service, and it comes as a free add-on for all My Virtual Campus members. It's a pleasure to continue to offer superior products and services to our membership.

***Delivery and Availability***

ResumePlus services are expected to appear on the website by the third quarter of this year. Look for the distinctive My Virtual Campus logo and the ResumePlus trademark. ResumePlus services will be made available on other related sites, with a service fee.

***My Virtual Campus***

Founded in 2007, My Virtual Campus is a leading technology company focusing their products and services toward educational institutions all over the world.
