## UNIT 1

### Windows 10 Basics

<b>Chapter 1: Getting Your First Look</b> .....	3
Logging In to Windows .....	5
Passwords .....	5
What Happens During the Startup Process? .....	5
The Windows 10 Desktop .....	7
Basic Computer Components .....	8
Start Button .....	10
Icons .....	10
Notification Area .....	11
Network Connection .....	11
Using a Mouse .....	11
Mouse Motions .....	12
Passwords and Account Settings .....	14
Accessing Account Settings .....	14
Signing Out and Switching Users .....	15
Switch Users .....	16
Locking the Computer .....	16
The Start Menu .....	18
Commands .....	18
Most Used Apps List .....	21
Live Tiles .....	21
Sizing Live Tiles .....	22
Turning Off Live Tiles .....	23
Pinning Commands to the Start Menu .....	24
Moving Tiles on the Start Menu .....	24
Shutting Down .....	26
Shut-Down Methods .....	26
Sleep .....	27
Shut Down .....	27
Restart .....	27
Self-Assessment .....	30
Skill Builders .....	31
Try This at Home .....	33

<b>Chapter 2: Starting and Controlling Apps</b> .....	37
Controlling App Windows .....	39
Quick-Sizing Buttons .....	39
Moving and Resizing App Windows .....	42
Touch Controls .....	45
Touch Gestures .....	46
Touchpad Controls .....	46
Working with the Taskbar .....	47
Notification Area .....	47
Pinning and Unpinning Apps .....	48
Action Center (Notifications) .....	50
Notifications .....	50
Actions .....	52
Multitasking .....	53
App Switching .....	54
The Flip Command .....	56
Show Desktop and Task View .....	58
The Usefulness of Multitasking .....	59
Self-Assessment .....	60
Skill Builders .....	61
<b>Chapter 3: Creating an Online Account</b> .....	65
Why Online? .....	67
The Cloud .....	67
Office for the Web .....	67
Creating Your Microsoft Account .....	68
Account Verification .....	68
Making Connections .....	71
Logging In to OneDrive and Office for the Web .....	72
Online Messages .....	73
Always Logged In .....	76
Opening Microsoft Office for the Web Apps .....	76
Self-Assessment .....	79

Deleting and Restoring Folders and Files . . . . .	198
The Recycle Bin . . . . .	198
Deleting Folders and Files . . . . .	199
Restoring Folders and Files . . . . .	199
OneDrive File Storage . . . . .	201
Creating OneDrive Folders . . . . .	202
Navigating Between Folders . . . . .	204
Uploading Files to OneDrive . . . . .	205
Downloading from OneDrive . . . . .	206
Self-Assessment . . . . .	208
Skill Builders . . . . .	209

**UNIT 3**

**The Internet and More**

<b>Chapter 8: Using the Internet . . . . .</b>	<b>215</b>
The Internet . . . . .	217
The World Wide Web . . . . .	217
Equipment Used to Connect to the Internet . . . . .	218
Connection Types . . . . .	220
Web Browsers . . . . .	222
Uniform Resource Locators (URLs) . . . . .	223
Basic Navigation . . . . .	225
Hyperlinks . . . . .	226
Tabbed Browsing . . . . .	227
Working with the Hub . . . . .	229
Printing a Web Page . . . . .	230
Favorites . . . . .	231
Favorites Bar . . . . .	233
Creating Folders in Favorites . . . . .	236
Removing Favorites . . . . .	237
Reading View . . . . .	238
History . . . . .	240
Downloads . . . . .	240
Books . . . . .	240
Self-Assessment . . . . .	241
Skill Builders . . . . .	242
Try This at Home . . . . .	245

<b>Chapter 9: Researching on the Internet . . . . .</b>	<b>247</b>
Performing a Basic Web Search . . . . .	249
How Search Engines Work . . . . .	249
Basic Search Techniques . . . . .	249
Improving Your Search Results . . . . .	252
The World of Search Engines . . . . .	253
The Hidden Web . . . . .	254
Difficult Searches . . . . .	254
Searching for Images . . . . .	255
Creating Web Notes in Edge . . . . .	256
Web Notes Tools . . . . .	257
Saving Web Notes . . . . .	258
Sharing Web Notes and Web Pages . . . . .	259
Defending Yourself from Web Threats . . . . .	260
Threats While Surfing . . . . .	260
Protection Software . . . . .	260
Using Social Media Sites Safely . . . . .	261
Steps You Can Take . . . . .	263
Self-Assessment . . . . .	264
Skill Builders . . . . .	265
<b>Chapter 10: Using Settings and Help . . . . .</b>	<b>271</b>
Searching Windows and the Web . . . . .	273
Choosing a Search Link to the Internet . . . . .	275
Getting Help . . . . .	276
Say “Hey” to Cortana . . . . .	276
Using Settings . . . . .	277
Settings vs. the Control Panel . . . . .	279
Controlling the Screen . . . . .	280
Screen Resolution Settings . . . . .	280
LED Monitors and Aspect Ratios . . . . .	281
Changing the Background Image . . . . .	283
Power Options . . . . .	283
Battery Saver . . . . .	284
Power & Sleep . . . . .	284
Additional Power Settings . . . . .	286
Windows Update . . . . .	287
The Trend Toward Automatic Updates . . . . .	289
The Store . . . . .	290
What’s in the Store? . . . . .	290
Downloading Apps . . . . .	292
Self-Assessment . . . . .	294
Skill Builders . . . . .	295
Try This at Home . . . . .	297
Glossary . . . . .	301
Index . . . . .	303
